**DETAILED ACTION**

***Allowable Subject Matter***

1. **Claims 1-20** are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art of record fails to disclose or render obvious a teatcup liner comprising an opening; a grip area having a non-circular shape and whereby the teatcup liner is non-rotatable in relation to the teatcup shell in the mounted state; and a connection portion, which is arranged to connect the teatcup liner to the first end of the teatcup shell in the mounted state and which includes an annular recess, and wherein the connection portion includes means arranged to define at the most two possible rotary positions for the teatcup liner in relation to the teatcup shell in the mounted state, wherein said rotary position delivery means includes a bridge of material, which extends in the annular recess and is arranged to engage a corresponding recess extending from the first end of the teatcup shell.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
